

The School Spelling Bee Study List is broken down into three levels of difficulty: One Bee, Two Bee and Three Bee. One Bee words include words appropriate for first, second and third grade.

The list below includes 50 challenging **third** grade words. If you learn the spellings and meanings of these words, you will be well prepared for your third-grade classroom bee. To prepare for a school spelling bee, ask your teacher for the full 450-word School Spelling Bee Study List, which includes these words, the remainder of the One Bee words, and the Two Bee and Three Bee words.
